

PVN102CR: Foundations of Nursing

Credit Hours: 1

Clock Hours: 30/0

Students are introduced to nursing concepts and principles. Students are given an overview of the nurse-client relationship, principles of therapeutic communication, and cultural diversity among clients. Patient care is discussed through the life span, including care of the geriatric client. Death and dying concerns are introduced and discussed. Steps of the nursing process are presented as the framework for determining and meeting clients' needs within the scope of practice.
